16th Annual Big Rock

Classic Car, Truck, Tractor & Motorcycle Show

June 7, 2026

Sunday June 7th is the 16th annual Big Rock Classic Car, Truck, Tractor, & Motorcycle Show at Plowman's Park from 8:00AM-4:00PM. Vehicle registration is 8:00-11:00 or preregister at www.bigrockcarshow.org. This year we are celebrating **"America Turns 250 – Patriotic Themed Vehicles".** All vehicles must be 25 years and older. Free admission, free registration, free parking. Event t-shirts will be available for sale. Concession stand will be available. 5B's pork chop and chicken dinner from 11:30-1:30. Hill's Country Store will be serving ice cream. Prairie State Railroad will be giving free train rides from 12:00-3:00. There will also be free face painting during that time.

For more information, contact Barb Baie @ 630-768-3251 or www.bigrockcarshow.org. Handicap/senior parking is available. Mark your calendar!

TIME TO HEAD TO THE POLLS!

Some notes for the upcoming election:

Early voting has started and runs through March 16th, various locations and times each day.

Mail-in ballots must be postmarked by March 17th and arrive by March 24th.

Mail-in ballots can only be dropped in one of three drop boxes and will NOT be accepted at any vote center.

Unused Mail-in ballots can be surrendered at a vote center to vote instead in person, but must be present to be surrendered. If left at home a voter will be required to return with the ballot before they can proceed to vote in-person.

This is a Primary Election so voters will be required to choose a party – there is likely not a non-partisan option for this election in Big Rock.

Voting lines on election day are expected to be lengthy. Please be patient with judges and fellow voters. Note that Voters can cast votes at ANY vote center in Kane County on Election Day, if that is a better option.

Kanevotes.org is the place to check registration status, review hours and location for early voiting, and get clarification from the Clerk's office for electioneering rules for wearables, buttons and other candidate items.

Same-Day registration will be available, if needed. Voters will be required to present TWO separate ID's, with at least one showing their current address. The list of accepted ID's can be found the county website.

Spring is upon us and many are looking to get outside and prepare yards for spring cleaning and planting. Bend and lift carefully as to not put a strain on muscles that haven't been used over the winter. Ask for help lifting heavy objects if necessary. Take a walk and enjoy the fresh air after being inside over the winter months.

Spring is also a time when the weather can become unpredictable. This is the time of year when tornados may occur and everyone should be preparing for such events. Make sure you have a safe place to shelter such as a basement or interior room. Provisions such as water, flashlight(s), non-perishable foods, a first aid kit, medications and your cell phone. Having gloves to remove any glass or sharp objects may also help. Please check on neighbors and friends that may need assistance. Be as prepared as possible for such an event.

The fire department is looking for those interested in helping the community. If interested, please contact Brock Mathewson or Chuck Kuhn at 630 556 3214. You can also follow us on Facebook. Give us a call if you have any questions.

Upcoming Annual Township Meeting

The annual Township meeting is fast approaching, offering residents a valuable opportunity to stay informed and participate in community decisions. Scheduled for later this month, the meeting Will provide an overview of the current financial situation of the Township and road district, infrastructure improvements, and upcoming local events.

Township officials encourage all residents to attend and share their perspectives. The gathering fosters open dialogue and ensure that everyone's voice is heard in shaping the future of the community. Don't miss out on this chance to connect with neighbors and learn about new initiatives planned for the coming year. Mark your calendar for the 2nd Tuesday in April.

Dean Hummell

ROAD COMMISSIONER

By now we are almost done with winter. Thank you for those of you that were patient enough to let us plow and then clear the end of your Driveways! And to anybody putting out orange markers, that sure helps too. We will be cleaning up any mess left from plowing by the end of March. Hurry Up Spring!

INC Mental Health Alliance

INC opened its funding grant portal for FY27 on January 28th for new and currently funded agencies. All agencies that are aligned with INC's funding policy and FY27 Objectives are welcome to apply. The portal closes at 4 PM on March 13, 2026. Interested agencies can find additional information at *INC Mental Health Alliance - Forms.*

INC staff met with Big Rock township 708 mental health board in February. Big Rock and 6 other township mental health boards that INC serves meet 4 times a year in February, June, and October, with the 4th meeting representing the annual INC MHA meeting in May. The 708 township boards were originally established In the November 1970 general election where township voters approved a community mental health tax by referendum. Virgil Township passed a referendum in November 2000. Each of the 7 townships appointed a seven-member community mental health board, known as a "708" board after the number of the Illinois House of Representatives resolution which created such entities.

The Big Rock Crier is published 6 times yearly by Big Rock Township, with financial support and sponsorship by the Village of Big Rock, Big Rock Park District, the Big Rock Fire Department and paid advertisements from local business to communicate local governmental activities to all township residents. Out of Township printed subscriptions can be arranged by contacting the Editor. PDF email delivery free to anyone that provides their email.

To advertise or submit articles for consideration please contact Tom Losiniecki at bigrockcrier@gmail.com

Trustees: Nick Gillis, Mark Lynch, Tim May, Ted McCannon, Cory Schollmeyer, and Haley Mason
P.O. Box 128 | Big Rock, Illinois 60511 | (630) 556-4365 | www.villageofbigrock.us

Village Meetings are held the 2nd & 4th Tuesdays of the month at 7:00 pm

ROUTE 30 STORM SEWER PROJECT

The Village of Big Rock has been working on developing a project for years to improve the drainage of stormwater along Route 30 on the east side of town. A grant was awarded many years ago for the project. But due to delays, that bid has skyrocketed in 2025. The gap in funding was well beyond the scope of what the Village was able to cover without a loan. Working closely with Kane County, the Village was able to reduce the scope of the original project to ensure that the awarded grant money was fully utilized and that Village costs remain closer to estimation. The Village has accepted a bid to complete this phase of the project for Spring and Summer of 2026. The final phase of the storm sewer project will utilize funds from Kane County and apply for new grants with the County's assistance. In due time, and with a measured eye on the budget, this project will be completed for stormwater drainage in the main Route 30 corridor.

VILLAGE SEWER SYSTEM

The Village would like to remind residents of some of the responsibilities of those that utilize the sewer system. If you have a broken or cracked sewer lid, please report it to the Village so excess stormwater doesn't drain inside. Please do not flush any wipes or anything other than toilet paper. Please take care with your mowers around the lids in the front yard. It is prohibited to open the system to dump anything inside. Do not drive on or near the lid stacks. If lids or tank are broken in a negligent way, the Village reserves the right to charge resident fees as outlined in ORD-2024-12. If you have an emergency, please call the 24/7 emergency hotline number in the box in your front yard. Please pay the quarterly bill by the due date of February 15, May 15, August 15 and November 15. If left unpaid after this date, it will incur a late fee. Sewer services will be shut off by the Village if payment is not received in a timely manner. Please call the Village office with any questions regarding the sewer system.

PROPERTY MAINTENANCE/ZONING ENFORCEMENT OFFICER

Property maintenance standards are a priority of the Village of Big Rock this spring season. We will have a zoning enforcement/property maintenance officer to monitor and enforce code violations. They will be making drives throughout the community on a regular basis. The Code Enforcement Officer will be utilizing and referring to the Village of Big Rock's "Property Maintenance Code" and doing compliance checks accordingly. Please note, the Code Enforcement Officer will make sure to properly identify themselves at all times when visiting any property(s). Our Code Enforcement Officer operates by observing the community, but also through anonymous complaints forwarded from our residents to the Code Enforcer. The Village does not control whom is issued a citation, the Village can only forward any anonymous complaints for investigation. If you have a complaint about a property code violation, please contact the Village in the following ways: Leave an anonymous complaint on paper in the village mailbox outside the office, call 630-556-4365, or email admin@villageofbigrock.us. The complaint will be forwarded on anonymously to the code enforcement officer to investigate. Just because a complaint is filed, does not mean that violations will be issued. If you have any questions or concerns about the code enforcement process, please reach out to the Village office or attend a Village Board Meeting to hear the latest news or voice your own opinion.

RESIDENT SPOTLIGHT

Have you ever noticed the festive flags that line the streets of Route 30 to commemorate our service veterans and our country? Those flags are put up each year by the efforts of John and Mary Rogerson. They are well known in the area as the annual Big Rock Car Show coordinators, one of the largest car shows in Illinois. It is held by the Big Rock Historical Society in June at Plowman's Park. They have lovingly re-created a 1960's car dealership in central Big Rock as a personal project. It is a private museum, created in amazing and accurate detail by the couple. They acquired objects at auctions and private sales across the country to create an accurate display. It is a true step back in time. They are members of the board of the Big Rock Historical Society. In addition to all these activites and much more, they have recently gifted the Village Park District Building chairs a professional cleaning. The Village of Big Rock gives a big Thank You to John and Mary Rogerson for this generous gift. It recognizes just one of the many volunteer efforts of a dedicated couple who saw a need and stepped up to provide it.

YOUR OPINION MATTERS

The Village Board meets the second and fourth Tuesday of the month at 7 pm in the Park District Building until the cold weather comes again. Please join us to hear about upcoming projects, current issues, and other lively discussions about our Village's present and future. Residents have an opportunity during the meeting where they can voice comments they wish the Board to hear directly. Any constructive feedback will be taken into consideration by the Board. Agendas can be viewed in advance of the meetings at the Post Office, Village Office Door. Agendas and Minutes are posted on www.villageofbigrock.us. You can stop in the Village Office at 7s405 Madison during office hours Tuesday 10am-3pm and Thursday 12-3pm, or by appointment any other day.

Dedicated to Serving You,
Your Village of Big Rock Board

The Big Rock Park District meets at 6:00 pm on the first Wednesday of every month at the Park District Building at 7S405 Madison Street in Big Rock. We would enjoy having you at our meetings and hear your suggestions.

OFFICE PHONE/VOICEMAIL

As a volunteer-based board with young children of our own it has been difficult for us to reliably monitor voicemails, and return calls in a timely manner. This is due to our current setup being a land-line and a physical answering machine that can only be checked from the office. In order to better monitor calls the board will be moving to a more modern setup, including voice-over-IP and the ability to remotely place calls and listen to voicemail. This new system will also allow us to better filter spam calls and implement an informational phone tree. In addition we will be changing our internet provider as a bundle and will save the Park District around $300/month going forward.

We appreciate everyone's patience with our delays returning calls and remind that you can also contact us (usually with a faster response) at info@bigrockparks.com or by visiting www.bigrockparks.com/contact-us

WE ARE ALWAYS LOOKING FOR NEW PROGRAMS!

The board is always looking for new ideas and programs we can host or sponsor in the community, all we need are volunteers to run them. Our unpaid board members devote a lot of their time to maintaining the park, managing rentals, and running events like the Easter Egg Hunt and Veteran's Day program (in partnership with the Historical Society).

We would love to do more but we can't do it alone and rely on volunteers to run programs like HBR Youth Soccer and Softball. If you have an idea we encourage you contact us (www.bigrockparks.com/contact-us) or attend a board meeting the first Wednesday of the month and present your idea to the board.

EASTER EGG HUNT

Come join us Sunday, March 22nd at Plowman Park for our annual Easter Egg Hunt! Events will start at 1pm. We will have prizes and treats for all participants who collect eggs within their age groups. We will be adding a time slot this year for kids with special needs and/or sensory issues and allowing support of a family member, on top of the existing age groups we currently have. Please keep an eye on Facebook for updates on the event. And as always we are looking for volunteers to help with stuffing eggs (3/8) or hiding them the day of event.

Please contact amanda.hummell@bigrockparks.com if you are interested.

PICKLEBALL/TENNIS/BASKETBALL COURT REPAIRS

Over the last year we have been monitoring the cracks forming on our tennis, basketball and pickleball courts. In an effort to keep these highly utilized facilities nice and prevent additional costs down the road we will be getting the cracks filled and the courts resurfaced in the spring. This will require us to close them for a few days while the surfaces are prepped, sealed, and allowed to cure. Since this work is dependent on sustained overnight temperatures above 50 F, we are not sure when the work will begin, but watch our Facebook page for updates. We are anticipating the courts will be closed for up to 14 days.

Planning Ahead for the Pumpkin Trains

Just a quick note from the Prairie State Railroad Club that there will again be a Pumpkin Train Festival at Plowman's Park this fall. Start thinking about your display ideas now!

Conley Outreach is welcoming 2026 with renewed energy and meaningful programming as we prepare for the spring season. On **Saturday, March 14, 2026**, we are pleased to offer *"Allowing Your Mind and Body to Recover While Grieving."* This special event provides a restorative "time out" for those who are grieving, offering a few hours of relaxation and renewal designed to promote overall wellness. Participants will receive guidance on self-care, skin care, and experience the calming benefits of sound healing. The event will be held at J&R Herra Studios. Registration is required and is available on our events page at ConleyOutreach.org.

We are also excited to return on **April 27, 2026**, to the Sugar Grove Public Library for our 90-minute program, *"Managing the Seasonal Impact on Grief."* This thoughtful session will explore the bittersweet emotions that often accompany the changes of spring for grievers. Participants will learn practical skills for using elements from the natural world to create a mandala as a way to help integrate and honor their grief. Reading recommendations and helpful resources will also be shared during the evening.Registration details will be available soon on the library's website and on our events page.

Finally, plans are underway for the return of our popular class, *"Nourishing Your Heart: Cooking and Connecting After Loss,"* coming in April 2026. While we will be gathering in a new location, participants can expect the same supportive atmosphere and dedicated team that made this event so meaningful.

For more information about our events, to register for support groups, or to request referrals and resources, please contact Executive Director Jennifer Long at cocsdirector@gmail.com. You can also follow us on Facebook or visit our events page at ConleyOutreach.org.

Our free and confidential resource and referral service can link you to over 80 agencies in Kane, Kendall and DeKalb counties that provide affordable health and human services. This past year we have helped almost 500 area friends and neighbors find the help they needed. Don't wait for a small problem to become large...

Plowman's Park is available for your family, school, church, club or community event. Enjoy your event under the oaks from May through October, weekdays, as well as weekends. Submit your rental inquiry via the request form on our website.

We are seeking vendors for the 132nd Plowing Match & Festival held in September. The application is available now on the website. Early bird registration ends on March 15. Register now and save. Please share with your favorite artists, crafters, businesses and more.

The tree revitalization project continues with 65 trees pruned this winter by Davey Tree Experts. This takes us to 92 of the over 300 trees on the property. Your support to help us save and extend the life of the old growth trees in Plowman's Park would be most appreciated. Be a tree hugger - we are seeking $4K by April 30. Donations may be sent to: Big Rock Plowing Match Association, P.O. Box 261, Big Rock, IL 60511 or via the website.

2026 Save the Dates: Bull & Bronc Events – August 8 & 9 | Plowing Match & Festival – September 18, 19 & 20

HBR CUSD #429 • UPDATES AND HIGHLIGHTS

Highlights and Celebrations:

We are proud to celebrate four students recognized by the Indian Valley Vocational Center (IVVC) as Outstanding Winter Students. Austin Kennedy was honored in Automotive Technology; Harrison Nier in Construction Trades; Savannah McMurtrie in Emergency Medical Services; and Oliver Johannsen in Collision Repair. These recognitions reflect their hard work, dedication, and commitment to excellence.

Congratulations to Evelyn Martin, who earned an Honorable Mention at the prestigious Scholastic Art & Writing Awards, placing her among the top 30% of more than 2,100 entries from students in grades 7–12. We also recognize Ryan Shea, who participated in the Illinois Music Education Association All-State Band in Peoria on January 30. Ryan described the experience as both exciting and nerve-wracking, and we are proud of his accomplishment. The Middle School wants to thank all of the community members who came out to make our Career Day on February 26 a huge success!

Our Hinckley-Big Rock Elementary Chess Club, led by volunteer coach Austin McMurtrie, continues to build momentum and excitement! Students practice twice each week, developing critical thinking, problem-solving, and sportsmanship skills. Several team members are now preparing to compete in upcoming regional and state chess tournaments, representing our district with pride. These events give students the opportunity to challenge themselves against strong competition while building confidence, perseverance, and teamwork. We are incredibly proud of their dedication and look forward to cheering them on as they compete this season.

These celebrations reflect the strong community commitment that defines Hinckley-Big Rock CUSD #429. Across the district, students are demonstrating the Portrait of a Learner qualities, being engaged learners, critical thinkers, effective communicators, and responsible contributors. Their success is strengthened by supportive partnerships with families, local organizations, and community members who help create meaningful opportunities, from career training and family events to the arts and extracurricular activities. Looking ahead, our community will also have the chance to celebrate student talent on stage as the Middle School/High School Drama Club prepares to perform a Shakespeare play this April. Together, our schools and community continue to work together, ***Cultivating Our Future.***

~Jessica Sonntag, Superintendent

HINCKLEY-BIG ROCK CUSD 429 FREE DEVELOPMENTAL SCREENING

Hinckley-Big Rock provides screenings for children birth to 5 who may be delayed in developmental milestones (communication, fine/gross motor, problem-solving, and personal-social). If you have concerns about your child's development, please contact Bonnie Osborne at 815-286-7578 or bosborne@hbr429.org to set up a screening appointment. These screenings are conducted by a team of District Educators and Specialists and are available to families living within the HBR School District. The screening will take approximately 30 minutes to complete. Afterwards, parents will have the opportunity to discuss the results of the screening as well as any concerns about their child, with a member of the screening team.

Children 2-5 years old will participate in the screening with our team.

Children birth to 2 years old may be referred by our screening team for an Early Intervention evaluation.

Need Help?...Call the Society of St. Vincent de Paul.

The Society of St. Vincent de Paul is a charitable lay Catholic organization founded to serve those in need. Our group is associated with St. Katharine Drexel Catholic church. We make no judgments about your situation, and you need not be a member of our church to receive aid. We serve Big Rock, Sugar Grove, and surrounding areas of Kane County. Typically, the kind of help we are able to offer is short-term assistance with bills, such as rent, a mortgage payment, utilities, medical bills, car repair, or other important expenses. If you are in need, please call us at 630-466-8833, and leave a message. Someone will return your call within 24 hours. You may also contact us by email at svdpsugargrove@gmail.com. For more information on how we can help, visit our website at www.svdp-skd.org.

Big Rock LIBRARY

NEWS OF NOTE FROM BIG ROCK LIBRARY

48W447 HINCKLEY RD.
BIG ROCK

Remember our new website address is **bigrocklibrary.org.**

A FRESH START

On Wednesday, February 25, the Big Rock Library is sponsoring a new monthly craft group for those who enjoy getting creative together. Each month, we'll explore a different craft project– and this month, it's all about bedazzling!

Bring anything you'd like to bling out: a tote bag (like the one pictured, available on Amazon), a book, a tumbler, or any item of your choice. Just bring it with you!

Come create, decorate, and add a little sparkle to your life.

The group is open to anyone old enough to work independently. Kids 15 and under need to attend with a parent or other adult. This is a wonderful way to spend time with your child, niece, nephew, neighbor, etc!

Call Big Rock Library to reserve you spot, at 630-556-3604, or email us at bigrocklibraryinfo@gmail.com. Reservations are appreciated so we can ensure adequate supplies are available. Crafting will begin at 6:30 PM at the library and last about two hours.

A Taste of Japan

On Thursday, March 5th, the library will be hosting an informal gathering with featured guest and former Big Rock resident Erin Ehrhart. Erin will be sharing pictures and stories about her recent trips to Japan. Also featured will be an array of exotic snacks from Japan for you to try. The festivities begin at 6:00 PM sharp.

Colonial Coins with Richard Shimkus

Richard will be sharing his expertise as well as coins from his collection that were minted over 200 years ago. Since this year is our country's 250th birthday, this seems like a fitting topic to explore as we think back to those times. The program will be on March 19th at 2:00 PM at the library.

Palace Project

Our new eRead program The Palace Project has experienced a couple of blips (not always theirs!) but it seems to be working well. For more information, check your library newsletters from January or February or go to our website at bigrocklibrary.org.

Thank you to the community members that contributed to the Toys for Tots this season.

HINCKLEY AREA FOOD PANTRY

"NEIGHBORS HELPING NEIGHBORS"

The HAFP is looking for a new Vice President. This is a volunteer position that leads development, writing and submissions for grant requests and assists with procurement of equipment and supplies and is backup for board President Todd Claxton.
